

# Assembly and Folding Instructions

## Pop-Up A Frame

### Double Fold

When opening your Pop-Up, please ensure you have enough set up space surrounding you. The Pop-Up will briskly release to its full form. Once unfolded and placed in the designated area, please use ground nails as additional security.

#### Step 1

Remove ground stakes from installed Pop-Up.

#### Step 2

Bring the two panels together

#### Step 3

Keeping a firm grip in the middle of the frame with one hand and holding the top with the other, proceed to twist the Pop-Up

#### Step 4

Applying pressure, continue to twist the Pop-Up while pressing down.

#### Step 5

Maintaining the pressure, push the two panels of the Pop-Up to the ground.

#### Step 6

Once folded, tightly hold the two panels together and quickly place in the carrying bag.

#### Step 7

Zip and complete.
